**TO THE MEMBERS OF BRIGHT CHOICE VENTURES PRIVATE LIMITED**
**REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS**

## *OPINION*

We have audited the standalone financial statements of Bright Choice Ventures (P) Ltd. ("the Company"), which comprise the Standalone Balance Sheet as at 31 March 2022, the Standalone Statement of Profit and Loss (including other comprehensive income), Standalone Statement of Changes in Equity and Standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2022, and loss (including other comprehensive income/loss), changes in equity and its cash flows for the year ended on that date.

## *BASIS FOR OPINION*

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the *'Auditor's Responsibilities for the Audit of the Standalone Financial Statements'* section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## *INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON*

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Management Discussion and Analysis, Board's Report including Annexures to the Board's Report, Business Responsibility Report, Corporate Governance and Shareholders' Information, but does not include the Consolidated Financial Statements, standalone financial statements and other auditor's Report thereon.

The other information included in the annual report, are expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is

Rajiv Mehrotra & Associates ★ Chartered Accountants ★ KANPUR Reg. No. 002253C

materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern andusing the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

## AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material

Rajiv Mehrotra & Associates ★ Chartered Accountants ★ KANPUR Reg. No. 002253C

misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in **"Annexure A"** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

**ANNEXURE "B" TO THE INDEPENDENT AUDITORS' REPORT**
**(Referred to in Para 2(f) under 'Report on Other legal and Regulatory Requirements' section of our report of even date)**

**REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER SECTION 143(3)(I) OF THE COMPANIES ACT, 2013 ("THE ACT")**

We have audited the internal financial controls with reference to financial statements of **Brightchoice Ventures (P) Limited** ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

***Opinion***

In our opinion, to the best of our information, and according to the explanations given to us, the company has, in all material aspects, an adequate internal financial controls with reference to Financial Statements and such internal financial controls over financial reporting were operating effectively as at March 31st 2022, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in Guidance Note of Audit of International Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

***Management's Responsibility for Internal Financial Controls***

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial Information, as required under the Companies Act, 2013.

***Auditors' Responsibility***

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating

the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to Financial Statements.

***Meaning of Internal Financial Controls With Reference to Standalone Financial Statements***

A company's internal financial controls with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

***Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements***

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**NATURE AND PURPOSE OF RESERVES**

**Capital Redemption Reserve-** As per Companies Act, 2013, capital redemption reserve is created when company purchases its own shares out of free reserves or securities premium. A sum equal to the nominal value of the shares so purchased is transferred to capital redemption reserve. The reserve is utilised in accordance with the provisions of section 69 of the Companies Act, 2013.

**Securities Premium Account-** The same is created when Shares/securities are issued by the company at a value which is higher than the face value/nominal value of such shares/securities. The amount representing such excess i.e the premium is transferred to the Securities Premium Account in accordance with the provisions of section 52 of the COmpanies Act, 2013. The balance in this reserve is utilised in accordance with the provisions of the said Section 52 of the Act.

## NOTES FORMING INTEGRAL PART OF THE BALANCE SHEET

**Note no.1**
**Company Overview**

**Bright Choice Ventures Private Limited ( 'The Company') is a Private Limited company,** domiciled in India and incorporated on Jan 02nd, 2021 under the provisions of the Companies Act, 2013 and having its registered office at D-6, Panki Industrial Area Kanpur, Uttar Pradesh-208022, India. The company is a wholly own subsidiary of M/s Kanpur Plastipack Limited, a company domiciled in India and listed with the BSE & NSE.

These Financial Statements were authorized by the Board of Directors in accordance with the Resolution passed on May 23rd 2022.

**NOTE NO.2**
**SIGNIFICANT ACCOUNTING POLICIES**

1.1 **Statement of Compliance:** These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, as amended from time to time.

1.2 **Basis of Preparation and Presentation:** The Financial Statements are prepared in accordance with Indian Accounting Standards (Ind-AS) notified under section 133 of the Companies Act, 2013 ("Act") read with Companies (Indian Accounting Standards) Rules, 2015, as amended; and the other relevant provisions of the Acts and Rules thereunder.

The financial statements have been prepared on a historical cost basis.

Historical cost is generally based on the fair value of the consideration given in exchange of goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The financial statements are presented in Indian Rupees (INR) and all values are rounded to nearest lakhs (` 00,000), except where otherwise indicated.

1.3 **CURRENT V. NON-CURRENT CLASSIFICATION**:

The Company presents assets and liabilities in the balance sheet based on current/non- current classification.

**(a) An asset is treated as current when it is:**

- Expected to be realized or intended to be sold or consumed in normal operating cycle.
- Held primarily for purpose of trading.

- Expected to be realized within twelve months after the reporting period.

All other assets are classified as non-current.

**(b) A liability is current when**:

- It is expected to be settled in normal operating cycle
- It is held primarily for purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and deferred tax liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its general operating cycle.

1.4 **Use of Estimates, Assumptions and Judgements:** The preparation of financial statements requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements and the results of operations during the year. Differences between actual results and estimates are recognized in the year in which the results are known or materialize. Estimates and underlying assumptions are reviewed on an ongoing basis.

1.5 **Property, Plant and Equipment**

i) Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

ii) The initial cost of an asset comprises its purchase price, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by the management, borrowing cost for qualifying assets (i.e. assets that necessarily take a substantial period of time to get ready for their intended use).

iii) Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

iv) An item of Property, plant and equipment and any significant part initially recognised separately as part of Property, plant and equipment is de-recognised upon disposal; or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the assets is included in the Statement of Profit and Loss on consumption.

v) The residual value and useful lives of Property, Plant and Equipment are reviewed at each financial year end and changes, if any, are accounted in the line with revisions to accounting estimates.

vi) Since the company only owns free-hold land under property, plant and equipment, no depreciation/amortization is charged.

1.5 **Inventories:** There are no inventories

1.6 **Revenue Recognition:** The company is yet to start operations. Thus there is no revenue.

1.7 **Government Grants:** There are no Government Grants.

1.8 **Borrowing Costs-** The company did not incur any borrowing costs during the year.

1.9 **Cash and Cash Equivalents**

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of changes in value.

1.10 **Offsetting of financial Assets and liabilities**

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet, if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realize the assets and settle the liabilities simultaneously.

1.11 **Taxes**

Tax expense for the year comprises of current tax and deferred tax.

**a) Current Tax**

(i) Current income tax, assets and liabilities are measured at the amount expected to be paid to or recovered from the taxation authorities in accordance with the Income Tax Act, 1961 and the Income

Computation and Disclosure Standards (ICDS) enacted in India by using tax rates and the tax laws that are enacted at the reporting date.

(ii) Current income tax relating to item recognised outside the Statement of Profit and Loss is recognised outside Profit or Loss (either in other comprehensive income or equity). Current tax items are recognised in correlation to the underlying transactions either in OCI or directly in equity.

**b) Deferred Tax**

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets and liabilities are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or direct in equity.

1.12 **Earnings Per Share**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events

such as bonus issue, bonus element in a rights issue, share split, and reverse share consolidation, without a corresponding change in resources, if any.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all potentially dilutive equity shares, if any.

The partly paid up equity shares, if any, are treated as potential equity shares in accordance with Ind-AS 33, for the period for which the same remained partly paid up.

1.13 **Provisions, Contingent Liabilities and Commitments**

(i) Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

(ii) The expenses relating to a provision is presented in the Statement of Profit and Loss net of reimbursements, if any.

(iii) Contingent liabilities are possible obligations whose existence will only be confirmed by future events not wholly within the control of the Company, or present obligations where it is not probable that an outflow of resources will be required or the amount of the obligation cannot be measured with sufficient reliability.

(iv) Contingent liabilities are not recognized in the financial statements but are disclosed unless the possibility of an outflow of economic resources is considered remote.

1.14 The figures for the preceding period (being the year of incorporation of the company) in these Financial Statements cover the period from 02nd Jan 2021 to 31st March 2021.

1.15 **Fair value measurement**

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

(i) In the principal market for asset or liability, or

(ii) In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or liability is measured in accordance with Ind-AS 113, using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non- financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy. , described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

**Level 1-**Quoted (unadjusted) market prices in active markets for identical assets or liabilities

**Level 2-**Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

**Level 3-**Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to fair value measurement as a whole at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above. The quantitative disclosures of fair value measurement hierarchy are contained in Note No.31.

**RECENT PRONOUNCEMENTS**

Ministry of Corporate Affairs (MCA) notified Companies (Indian Accounting Standards) Amendment Rules, 2022 vide Notification dated 23 March 2022. Following amendments and annual improvements to Ind AS are applicable from 1 April 2022.

**Ind AS - 16 Property Plant and Equipment**

The amendment clarifies that sale proceeds of items produced in the process of making/construction of PPE cannot be deducted from the cost of PPE. Instead, such proceeds shall be recognized in the statement of profit or loss.

**Ind AS - 37 Provisions**

The amendment is clarificatory in nature and clarifies that that the 'costs to fulfil' a contract should include both incremental costs (direct labour and material) and an allocation of other direct costs (e.g: depreciation charge for an item of PPE used in fulfilling the contract etc.).

**Ind AS - 103 Business Combinations**

The amendment specifies that for identified assets and liabilities to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired, and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date.

**Annual improvements to Ind AS 109 - Financial instruments**

The amendment clarifies that while performing the '10% test' for derecognition of financial liabilities, borrower includes only fees paid or received between borrower and lender directly or on behalf of the other's behalf

The Company does not expect the above amendments / improvements to have any significant impact on its standalone financial statements.
